FACEBOOK

FR 4: Messaging:

You can **communicate in real time** with your friends using **Facebook chat**. Also known as instant messaging, this is a popular way to communicate online.

Messaging

The platform supports text messaging, voice and video calls (including group video calls). Users can personalize their experience with a selection of chat themes, stickers and custom reactions featuring avatars. As of June 2021, Facebook is testing an in-app payment system, Facebook Pay that will allow users to request and send money through Messenger.

Messenger is also a popular customer service channel for brands that have a presence on Facebook. Businesses can use it to answer questions from customers or as an advertising channel.

Facebook Messenger is free to use for anyone with a Facebook account and an internet connection.
